MINI CLUB SANDWICH IN TEMPURA WITH BASIL PESTO AND MOZZARELLA - 40 g

APERITIF

NEW

The market is increasingly demanding innovative snacks made with traditional ingredients such as pesto and mozzarella—a classic pairing that delivers a refined, gourmet touch, ideal for younger consumers and on-the-go occasions. Building on the success of our Tempura Sandwich, we have developed a new, flavorful variant that is popular in Italy and abroad: the Mini Club Sandwich in tempura with Basil Pesto and Mozzarella. Soft milk bread filled with 18% Italian basil pesto and 18% Italian mozzarella, wrapped in a light, golden, crispy tempura. Fresh, original, and authentic in flavor, it offers a winning alternative to classic fried appetizers. Perfect for aperitifs, finger food, buffets, and savory snacks, it stands out for its simplicity and strong consumer appeal.

CLUB SANDWICH IN TEMPURA WITH CHEDDAR AND CRISPY BACON (24% CHEDDAR, 8% BACON) - 95/120 G

Italian consumers are increasingly drawn to bold flavors such as cheddar and bacon. With this version of our club sandwich, we bring a taste of international cuisine to a classic format.
The Club Sandwich in Tempura with Cheddar and Bacon is a truly distinctive snack. Soft milk bread envelops a generous double filling of cheddar (24%)—one of the world's most popular cheeses—and crispy bacon (8%), creating an irresistible flavor combination. Finished with an innovative, golden tempura coating, this sandwich delights both the palate and the senses. Quick and easy to prepare, it is ideal for a complete takeaway meal in quick-service restaurants, perfect when cut in half as a club sandwich, or served in quarters for aperitifs in Italy's finest bars.
